

Dear Parents/Guardians,

We would like to welcome all our pupils back to school after the long year-end holiday. We are glad that we are starting a new journey for the school in this new year as the school goes single session. With the whole school functioning together, there will be greater opportunities for the school to fulfil its vision for the pupils.

Our pupils will be more actively involved in CCA when we incorporate CCA into the curriculum time. This is part of the holistic education we want for our pupils. While Primary 3 to 6 pupils are involved in CCAs, there will be modular programmes organized for Primary 1 and 2 pupils. We are also working towards talent scouting for Primary 2 pupils to be involved in selected CCAs from Term 3 onwards.

The school will be introducing daily ten-minute snack time for our pupils besides the daily recesses. We would like to encourage parents to prepare some healthy snacks for our pupils to consume during the daily ten-minute snack time which will take place in their respective classes.

The school will also be looking into structured modular remedial lessons by teachers who will specialize in subjects and topics to provide better support to our pupils who need help in their learning.

The school would like to encourage parents to be more involved with their child's education. There will be several workshops that will be organized for you throughout the year. We would like to encourage you to take full advantage of these workshops to equip yourself to provide better support for your child. Please feel free to provide feedback to the school with regards to any aspect of the workshops so that we can meet your needs better.

Thank you.

Lim Chew Hiong Richard
Principal
