Achievement Levels (AL)

Our PSLE scoring changes aim to:

- Reduce fine differentiation at a young age
- Recognise students' level of achievement, regardless of how their peers have done

The changes will not affect the curriculum and subjects tested at PSLE.

A decorative border at the bottom of the slide features a lush green field with various flowers, including white daisies and small blue and yellow blossoms. Several colorful butterflies, in shades of orange, yellow, and blue, are scattered across the field, appearing to fly or flutter.

Choice Order of Schools

- Posted to a secondary school based on academic merit (i.e. overall PSLE score)
- If two or more students with the same PSLE Score vie for the last remaining place in a school, tie-breakers will be used in the following order:

1. CITIZENSHIP

2. CHOICE ORDER OF SCHOOLS

3. COMPUTERISED BALLOTING

A Garden where Scholars Bloom

EXAMPLE:

4 students - Jane, Bryan, Mary and John, are vying for the last places in School A and School B.

6.	...

Students with better scores will be posted first

Jane will be posted first as she has a better PSLE score, and will be posted to School A.

As Jane has taken that last place in School A, Bryan, Mary and John, having the same PSLE score, will vie for the last available place in School B.

Tie-breaker 1:
Citizenship

Bryan and Mary are Singapore Citizens and will have a priority to enter School B.

John will be tie-broken out as he is a Permanent Resident. With no places in School B, John will be considered for School D.

Tie-breaker 2:
Choice order of schools

As Bryan ranked School B higher than Mary in his choice order of secondary schools, he will be posted to School B.

Since the last place of School B is taken by Bryan, Mary will be considered for School C.

Tie-breaker 3:
Computerised balloting
