# HARI RAYA CELEBRATION

## *Special Raya Assembly*

Our school community is like a big family, and we love to come together to celebrate special occasions like Eid. Whether it's through festive decorations, singing of Hari Raya songs or fun quizzes, everyone is included and happy! As one SLPS family, we learn about

# INTERNATIONAL FRIENDSHIP DAY

15 FEBRUARY 2023

With its theme - **Singapore in Asia**, we shared the importance of fostering and maintaining close ties not just to **SOME** but **ALL** of our neighbouring **ASEAN** countries. We learnt how interconnected Singapore is, and how we must collaborate well as a member of **ASEAN** to strengthen our collective quest for the things we hold dearly to.

For recess, we had some exciting activities lined up for *all* - playing traditional games like congkak, having a hand in weaving or a must-go at the quizzes to test our understanding on **ASEAN**! Our students also penned down their wishes for Singapore to continue to be a good member - and a friend of **ASEAN**.

# STUDENTS' VOICE FORUM

## WE WERE FEATURED BY MOE!

In our school, we empower our students to speak up and give suggestions to make our school a better place. We want their voices to be heard and want them to be part of our school improvement projects. Hence, we have our termly Students' Voice Forum where our students – from Primary 1 to 6 alike, They will gather in a townhall setting to discuss school matters and seek ways for improvement. The best part? The forum is completely run by students. Catch the BTS here!"

# MOTHER TONGUE FORTNIGHT

Our students participated in the anticipated annual event of cultural activities that helped them harness their mother tongue! The activities included dough modeling, making drama prop, appreciating herbs and playing traditional instruments. These educational activities were both fun and memorable for the students.

# KINDERGARTEN OUTREACH

6 groups of kindergarten students visiting SLPS for an immersive experience!

Students participated in our *EcoMart lesson* where they learned about 2 eco-labels and went shopping for them! This *sustainability theme* was also echoed when they collected recyclables and practiced recycling ♻️ through a fun obstacle course.

Parents were also not forgotten as they had personal time with the school leaders and went on a tour around our school compounds.

# P3 FRIENDSHIP CAMP

School's out, fun's in! On the last day of the school term, our primary 3 pupils got in action and participated in the friendship camp. Through fun-filled activities like the nerf war challenge, trekkers challenge and problem-based activity, they created lasting friendships and strengthened their bonds with their classmates! With these smiles from the heart, it was surely an enjoyable and unforgettable #RISExperience for them!

# EDIBLE CITY FARM

Our Environment Ambassadors ★ ≡ ROSE TO EXCELLENCE ≡ ★  
when they had the opportunity to share about our **Edible City Farm** !

In collaboration with Woodgrove Zone 8, SLPS has a hydroponics system at Woodlands Ave 5, Blk 363. Do look out for us if you live around the area and stay tuned for our up coming workshops as we work towards educating the public on a **sustainable** way of living!

Big shoutout to our Environment Ambassadors, Shane (4S), Jesslyn (5R), Wei Yang (4S) and Sun Ying (4S) for being part of the #voicesofsiling!

# WOODGROVE WORLD ENVIRONMENT DAY

Our students participated in Woodgrove Environment Day on 18 JUNE 2023 and were featured in SHIN MIN DAILY NEWS. They spoke on Vertical Farming.

## 兀兰林景区与三校合作 小学生教居民设垂直农场

齐鲁报道 luluq@sph.com.sg

兀兰林景区公民咨询委员会和区内三所学校合作，让学生和居民共同推出可持续主题项目，校内设有垂直农场的土林小学派小学生，帮助林景居民建立起社区自己的垂直农场。

永续发展与环境部长傅海燕今早在马西岭一油池集选区议员苏慧敏的陪同下，展开部长走访选区活动，了解兀兰林景区内的各种计划。

走访活动恰逢该区第二年展开林景环境日 (Woodgrove World Environment Day)，设立的13个可持续

主题展览摊位，共吸引超过300名居民到场参加。林景公民咨询委员会在去年，就和区内的土林小学合作，在第八分区居民委员会中心的门前，建造了一个垂直农场，培育新鲜蔬菜。负责教给居民怎么建造和照料垂直农场的，都是土林学校的小学生。

小五生阿奇夫 (Akif, 11岁) 告诉本报，他和同学从去年12月开始，就来教林景的居民如何经营垂直农场。土林小学是区内唯一有室内垂直农场的学校，学生们也是从小一开始，就学习环保、绿色主题课程。阿奇夫上小四时，通过课业接触到垂直农场。他说：“相较于

传统农场，垂直农场占用的空间更小，也更省电和水，是更加可持续的种植方式，也会减少碳排放。”

此外，林景第一分区的居委会也在社区花园里种植绿叶蔬菜，并将丰收的菜“从农场直达餐桌”，做成沙拉给参与环境日的居民享用。

黄健国 (46岁，客服经理) 在林景居住了19年，三年前开始在社区花园种菜。他告诉本报，分区有两个社区花园，共83块地，每个住家通过抽签能获得一块地经营。他认为，自己种植的蔬菜新鲜也干净。“有时菜吃不完，我们就和邻居自行交换。”

### 苏慧敏：年轻家长更关注气候变化

林景年轻家庭较多，也更关心气候变化等议题。

苏慧敏接受媒体访问时说，相较于去年的林景环境日，有更多的社区伙伴搭上可持续发展“快车”，和居民一起迈向更加绿色的生活方式。

她指出，林景区是个大分区，既有年长者，也有很多孩子很小的年轻家庭。“年长者比较喜欢社区花园，年轻的家长就更关注气候变化问题。我们将居民的诉求转介绍给社区伙伴，帮助促成合作项目。”
